

▪ Famous support for Homoeopathy

Homoeopathy has long been used by the British Royal Family for six generations from King William IV to The Queen and Prince Charles in the present day. The Queen Mother was treated by homoeopathy all her life until her death at 101 years.

▪ Dana Ullman, MPH is author of the book "The Homeopathic Revolution: Why Famous People and Cultural Heroes Choose Homeopathy."

This book documents many famous people of the past 200 years who have been known to use and/or advocate for homeopathic medicine.
